FUTURE INSPIRED NATIVE AMERICAN LEADERS ORIENTATION

Enrollment for Future Inspired Native American Leaders program is on-going throughout the year. Orientations are held every first Tuesday evening of the month with exception to the months of June and July. These months are designated for an overview of the Summer Academy event and will require admission to Phoenix College for classes. Participation in the Summer Academy requires a mandatory orientation for both Student and Parent/Guardian. Failure to attend one of the four orientations will prevent the student from participating in the Summer Academy but may continue in the program during the Fall 2017. Classes for Summer Academy will be taught by instructors at Phoenix College and students will enroll during the June or July orientation. Students will not be accepted into the Summer Academy if they have not attended one of the orientations with their Parent/Guardian and have not submitted all supporting documents by the final orientation date (July 11, 2017).

DOCUMENTS REQUIRED FOR PHOENIX COLLEGE ADMISSION

- Student Photo ID (Current School ID, Arizona Identification Card, Arizona Driver's License, US Passport, or Tribal ID)
- Lawful Presence (Birth Certificate, US Passport, Certificate of Indian Blood, or Arizona Driver's License)

COURSES AVAILABLE

- CPD 115 – Creating College Success
- CPD 195AB – Healthy Relationships & Time Management
- STO 291AA – Storytelling Circle

Students will have the freedom to choose their class but seating is on a first-come first-served basis. Students wanting to enroll in a particular class are advised to attend an early orientation date with all their required documents. Students will not be enrolled in a class without submitting all four required documents.

TRANSPORTATION

Because each day is scheduled differently, transportation will be provided daily for students from a designated pick up location and will be dropped off at the same location. Early dismissal of a student is highly discouraged because they will miss valuable information at employee site visits and possibly receive a lower grade. People who are permitted to pick up a student should be listed in the Parent/Guardian Information and Emergency Contact section of this application. Students are not permitted to ride in vehicles without proper authorization by the parent/guardian. If a student is picked up early, proper identification must be presented to the Van Driver/Chaperone or the student will be transported back to the original drop off location.
